

Bruno R. R. Pereira

MOBILE DEVELOPER

SUMMARY

4+ years of experience in the field of mobile development, using Kotlin and Java for developing Android apps, Swift for iOS apps and Flutter/Dart for multi-platform apps. I'm currently working for one of Brazil's main banks (Banco Itaú) with the bank's main mobile app. I work with code versioning through Git, integrated and unit tests and use of Jira. I have a bachelor's degree in systems analysis and I'm fluent in English and Spanish (also my native language is Portuguese).
